

These cuts were picked for their accessibility as well as their ability to showcase an actors range in the singing and acting as needed for this production. We have provided a link to listen to the music, as well as time stamps of what parts of the song we would like to have auditioners prepare. You only need to choose and prepare **ONE** song to perform at auditions. We will provide an accompaniment track (that accompaniment track is also provided in the spotify playlist). We have also listed links to the sheet music which will be provided at the audition.

AUDITION CUT:
The Sheet music has already
been Cut for you. Please
perform the entire song.

30-1:30

The words on the recording
and the sheet music are
different, please sing these
lyrics:

Today I met the boy I'm gonna
marry
He's all I wanted all my life and
even more
He smiled at me and the music
started playing
Here comes the bride when he
walked through the door
Today I met the boy I'm gonna
marry
When we kissed I felt a sweet
sensation
This time it wasn't just my
imagination
Today I met the boy I'm gonna
marry
He's just what I've been waiting
for oh yes
With every kiss, oh this is it as
if my heart keeps saying
Today I met the boy I'm gonna
marry
