Deegan Children's Theatre offers a unique opportunity for directors to work with teens from throughout Northwest Iowa and our Interns. While appropriate behavior is always important, when working with teens at SCT our volunteers are expected to:

- Maintain the highest standards of personal behavior at all times when interacting with minors.
- Listen to and interact with minors and provide appropriate praise and positive reinforcement.
- Treat all minors in a group consistently and fairly, and with respect and dignity.
- Maintain professional discipline and discourage inappropriate behavior by minors, colleagues, and volunteers, and consulting with your supervisors if you need help with misbehaving youth.
- Be aware of how your actions and intentions might be perceived and could be misinterpreted.
- Consult with other adult supervisors or colleagues when you feel uncertain about a situation.
